

Introducing our new school app

Edgbaston High School is pleased to announce the launch of our new school app.

It is FREE for you to download and is part of our commitment to excellent communication with parents, delivering the school's latest news, events, push notifications and much more.

Home screen

Benefits to parents include:

- Instant access to an up-to-date school calendar. Any events that are relevant to you can also be automatically added to your own calendar with one tap on the screen.
- Keep up to date with news from school: read news items and swipe through the image gallery.
- Report on your child's absence to the school via the app rather than calling via the school's main telephone number.
- Direct contact links to EHS - one touch dial and email.

The app can be used on smartphones and tablet devices running iOS or Android, and can be downloaded from the **Apple App Store** and **Google Play**.

Download via Apple App Store

Simply search on 'EHSforGirls' and follow the download instructions.

Download via Google Play

If you already have Google Play downloaded, access this and search for 'EHSforGirls'.

If you do not have Google Play downloaded and need to search for the app using the internet on your phone (rather than via the play store app) access the app here: <https://play.google.com/store/apps/details?id=com.rewing.ehsforgirls&hl=en>

We hope you find our new app useful. If you have any questions please contact us via website@edgbastonhigh.co.uk
