

D&T: Textiles

Rotation 1- September - February

Rotation 2 – February – July

Year 8

Develop your drawing and design skills, as well as using modelling techniques to test out ideas before beginning the making process.

Create pattern pieces in order to create a 3D innovative and creative product.

Create a range of hand embroidery stitches and how to sew a button securely in order to decorate your doorstep.

Neaten the edges of fabric using pinking shears and an overlocker/zig-zag stitch, how to create and securely attach a handle and how to close a seam.

Develop skills in sewing accurately with woven fabrics to construct a hard-wearing fit for purpose animal inspired doorstep.
