

EDGBASTON HIGH SCHOOL

## Behaviour Policy

### Senior School

#### RATIONALE

At Edgbaston High School for Girls, we believe in developing the talents and abilities of every pupil within a supportive, happy and well-disciplined environment. As part of our commitment to developing the 'whole pupil' we provide individually tailored education within a supportive and community-spirited environment.

Every pupil at Edgbaston High School has the right to learn and every teacher has the right to teach. Every parent/carer also has the right to information about their daughter's progress and behaviour. Our expectation is that all three parties work together to facilitate learning and maintain high standards of teaching and learning.

With the support of parents, pupils should be physically and mentally prepared for the working day and be ready to learn.

This policy aims to:

- Provide a **consistent approach** to behaviour management
- **Define** what we consider to be unacceptable behaviour, including bullying
- Outline **how our students are expected to behave**
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management
- Outline our system of **rewards and sanctions**.

Every member of staff should read this behaviour policy in conjunction with the following linked policies:

- Pastoral policy
- Anti-bullying policy
- Substance abuse policy
- Safeguarding policy
- School Rules (Appendix 1)

#### OBJECTIVES

- to encourage an ethos which has positive expectations about behaviour and which nurtures the development of trust, respect and consideration for others
- to lay down clear guidelines in respect of school rules, rewards and sanctions
- to develop the school as a community involving pupils, parents and staff (teaching and non-teaching)

- To promote self-esteem, self-discipline, proper regard for authority, and positive relationships based on mutual respect.
- To ensure equality and fair treatment for all.
- To praise and reward good behaviour.
- To challenge and discipline poor behaviour.
- To provide a safe environment, free from disruption, violence, discrimination, bullying and any form of harassment.
- To encourage positive relationships with parents/carers.
- To develop positive relationships with our students to enable early intervention.
- To Promote a culture of praise and encouragement in which all students can achieve.

## **SUCCESS CRITERIA**

Pupils behave well in school if they feel safe, confident, respected and cared for. Positive behaviour is encouraged both in and out of lessons.

Staff, in conjunction with Student Council define positive behaviour as the following:

- A respectful, positive attitude towards all other members of the school community
- Appreciating, celebrating and respecting that everybody is different but of equal value
- Good manners when moving around the school
- Accepting the consequences of one's actions
- Zero tolerance approach to bullying
- Good attendance and punctuality
- Striving to be take on new challenges and stretch oneself
- Helping others
- Leading by example
- Full engagement in lessons
- Completion of classwork and homework
- Meeting deadlines
- Being fully prepared for lessons.
- Follow instructions carefully.

The School Rules (appendix 1) was also reviewed in collaboration with Student Council.

Success will be measured by how effectively pupils adhere to their own defined standards of positive behaviour and how well they follow the school rules

## **METHODOLOGY**

### **1. Implementation**

To achieve this, the organisation of the school includes:

#### **The Pastoral System**

- This provides a clear and supportive structure of pastoral support in which pupils are encouraged to be involved in monitoring their own work and behaviour. A 'whole pupil' approach is adopted at all times.
- Pupils are actively encouraged to seek advice from staff about problems or concerns.
- Counselling is provided as necessary and referral to external agencies made as appropriate.
- Pupil review questionnaires and follow up meetings allow pupils to air their concerns and opinions, encouraging pupil voice. These happen twice a year.

- Early help enables staff to target pupils of concern and give them a voice.
- Extra support is also available for pupils who may feel worried about an issue and wish to access help. These take the form of:
  - 6<sup>th</sup> form support group
  - Mrs Al-Ani school counsellor
  - Study skills support
  - SENCO
  - Heads of Year and Assistant Heads of Year
- A weekly briefing to convey information about pupils and concerns raised so that staff are able to best judge their approach to rewards and sanctions
- Guidelines for staff – School Rules

### **The Curriculum**

- A challenging curriculum is delivered by varied teaching methods which are differentiated to suit different aptitudes. Differentiation helps to foster self-esteem by ensuring that each pupil can access the curriculum to the best of her ability.
- There is a comprehensive programme of PSHEE and Citizenship which addresses the issues of behaviour, personal relationships and building self-esteem. Pupils are encouraged to see themselves as important members of both the school and the wider community.
- Departments have clear guidelines for the identification of pupils with individual learning needs including those who are More Able, Gifted and Talented.
- Departments are supported in their work by the Head of Academic Support who monitors individual pupils and draws up and monitors pupil profiles as necessary.
- A wide range of extra-curricular activities and visits is available to extend all pupil's learning experiences.

### **Parent Contact**

- There is an active partnership with parents in order to promote effective learning and good behaviour. This involves parents monitoring rewards and conduct via ISAMs parent on a daily basis.
- Heads of Year and Assistant Heads of Year ensure that there are good lines of communication so that parents receive positive feedback as well as being able to be involved early on in any disciplinary issues.
- There are good induction procedures for new parents with respect to the school's policy on behaviour and their role in it.
- Parents have access to their daughter's or daughters' form tutor via email to highlight concerns or issues. Email addresses and contact numbers are available to parents at the beginning of a new academic year via letter or handbook.
- There are 2 contact points each academic year with parents. One pastoral and one academic.
- Information evenings and "meet and greet" afternoons are also available to parents throughout the year
- Academic, Pastoral and SENCO clinics are available to parents once every half term on an appointment basis.

### **Pupil involvement**

- There is a consideration of pupils' views in relation to the formulation of school rules in order to foster a sense of commitment to them.

- Each pupil is treated as an individual and great emphasis is placed on Pupil Reviews with Form Teachers who support individuals in the target setting process. Heads of Year, Assistant Heads of Year and Form Tutors recognise and praise the wide range of personal achievements and qualities of pupils and give guidance to those who need to be helped to modify their behaviour.
- Opportunities exist for pupils to take on responsibilities which enable them to make a full contribution to maintaining good standards of behaviour.
- The PSHEE programme, pupil/staff led assemblies and a tutorial programme nurtures pupils' spiritual, moral, social and cultural development and equips them to be thoughtful, caring and active citizens in school and in wider society.

### **Staff involvement**

- All staff are involved in the implementation of the policy and there is recognition of the vital role they play in promoting good behaviour and in reducing the incidence of problems.
- Heads of Year, Assistant Heads of Year and Form Tutors play a significant role in providing guidance for pupils in respect of their behaviour.
- There is a clear and supportive structure of support through Heads of Year, Assistant Heads of Year and the Deputy Head Pastoral for teachers who may experience difficulties with individual pupils.

**In order for this policy to be successful there is a need for certain general expectations for staff, pupils and parents.**

### **STAFF**

- To create the calm, purposeful atmosphere necessary for high achievement, staff will need to lead by example, setting themselves the highest professional standards.
- To achieve good discipline by providing a firm, fair and consistent set of expectations, implemented using standardised routines and procedures used and enforced by all staff.
- To deal with poor behaviour by simple reprimand; any criticism should be directed at the actions at fault rather than the individual responsible for them. This will then be communicated to parents via ISAMs.
- All staff should be responsible for behaviour in their own classroom and around school but can seek the help and support of other colleagues when they encounter difficulty.
- To treat pupils with dignity, building relationships rooted in mutual respect.
- To plan lessons that engage, challenge and meets the needs of all learners.
- To have high expectations of pupil attitude to learning, promoting positive behaviour of pupils by applying the expectations of the school regarding behaviour in a fair and consistent manner.
- To implement consistent practice across the school using agreed school routines and procedures.
- To reward pupils who work hard or show exceptional levels of effort using the published rewards system.
- To liaise with parents to discuss concerns regarding their child's progress.

## **PUPILS**

- To ensure that they follow the pupil expectations regarding their behaviour in school, in particular behaving in a manner in which they treat each individual and the school with respect.
- To ensure that they try their best in every lesson and behave in a manner that allows every member of the class to learn free from disruption.
- To ensure that they do not involve themselves in any threatening behaviour towards other members of the school community.
- To ensure that they arrive at school dressed in the correct uniform and with the necessary equipment.
- To ensure that they arrive punctually to school and to lessons.

## **PARENTS**

- To ensure that pupils are appropriately dressed and equipped for the school day.
- To discuss with their children the expectations that the school has regarding behaviour to ensure that they understand what is expected from them.
- To support the school in applying rewards and sanctions.
- To inform the school of any special education needs or personal factors that may result in their child displaying unexpected behaviour.
- Be prepared to attend meetings at the school with staff to discuss their child's behaviour.
- To support their child by contacting staff if they have any issues regarding their child's progress.
- To understand that their child is part of a community and that whilst every effort will be made to accommodate the needs of a pupil, there are limitations to individual provision.
- To lead by example and engage with teachers and the wider school community with respect both face to face and online.
- To have a general awareness of their child's online activity outside of school hours, especially when using school devices.

Primarily we seek to encourage positive behaviour through our comprehensive rewards system. It is the aim of the school to reward and praise pupils for a wide range of achievements and successes.

## **REWARDS**

### **House Points**

House Points are awarded for participation in, and loyalty to, co-curricular activities and House Events. These are awarded by staff running the activities or coordinating the events. House Points may also be issued to girls for wider services to the school. House points are put onto ISAMs.

### **House Cup**

The House Cup is awarded annually to the House which has collected the most House Points.

### **Merits**

Merits are awarded to pupils in Key Stage 3 and 4. They are recorded on ISAMs and monitored by the Form Teacher.

Merits may be issued for outstanding work or effort, service to the school or contribution to co-curricular activities.

For outstanding work, pupils are awarded a merit when in accordance with individual departmental policies.

Merits are totalled for individual girls and Bronze, Silver, Gold and Platinum certificates are issued at the end of each term in a celebratory assembly to girls who have achieved the relevant targets.

**The Work Shield** is awarded termly to the Form which has collected the most merits

**The House Shield** is awarded termly to the House which has collected the most merits.

Girls are issued with a certificate during afternoon registration on a Friday. They then have a group photograph that is pinned on the Year 7 notice board. A sticker is placed in their planner to notify parents of their success.

The Head of Year issues postcards home throughout the year.

### **Year 8 & 9**

It is the aim of the Year 8 and 9 reward schemes to praise pupils for a range of non-academic achievements and successes.

The pupils will be nominated by their teachers and fellow pupils for a raffle ticket.

The nominations will be sent to the Assistant Head of Year. The nominations will then be recorded and will receive a raffle ticket that will be placed into the Prize Winner's jar.

At the end of each half term the name of the winner for that term will be drawn out of the jar by the Head of Year. They will receive a gift voucher. In this final assembly, all the names of the pupils entered into the jar will be read out and presented with a certificate for their achievements.

The aim of this to help to motivate, encourage and inspire pupils to do their best in all aspects of life at EHS in Year 8.

These can be awarded for any of the following reasons:

- Effort
- Attitude
- Participation
- Progress
- Achievement
- Extra-Curricular Commitment
- Good Role Model
- School Ambassador
- Good Deeds

### **Year 10 and 11**

The aim of the raffle is to help to motivate, encourage and inspire pupils to do their best in all aspects of life at EHS in Year 10 and 11. Every week teachers will decide who to nominate from their classes. Teachers can nominate whoever they think is worthy of a raffle ticket.

Pupils can be nominated to receive a raffle ticket for any of the following categories:

- Excellent Effort
- Excellent Attitude
- Excellent Extra Curricular Commitment
- Excellent Role Model

Every nomination that pupils receive entitles them to one raffle ticket.

They could be nominated in the same week by more than one member of staff and for more than one category. The more raffle tickets pupils receive the more chance they have of winning a prize. The raffle is drawn during the last week of Term. There are exciting prizes on offer to celebrate their achievements!

### **Termly awards assembly**

At the end of each term each year group has an awards assembly to recognise achievements over the course of the term.

### **Awards ceremony for Years 8-11**

In the Autumn term there is an awards ceremony to recognise Achievement, Progress and Effort from the previous year. Cups and Prizes are also awarded, and parents and governors invited.

## **SANCTIONS AND RESTORATION**

At EHS we have high expectations and when a pupil is not meeting the required standard, we take appropriate action. Our ethos in this respect is one of restoration. We expect the pupil to reflect on their actions, with the support of staff, and to make plans to put things right. When a pupil repeatedly fails to meet our expectations, we ensure the appropriate support is put in place to enable the pupil to acquire the necessary skills and attributes to be a successful member of the community.

Any sanctions will be reasonable in all circumstances, and we reserve the right to make adjustments to take account of the pupil's age, any special educational needs or disability and any other special considerations or requirements.

It is the aim of the school to be positive rather than negative. However, sanctions are issued when a pupil is in breach of the school's clear framework of expectations.

### **Low level unacceptable behaviour**

Low level unacceptable behaviour is defined as any behaviour which may disrupt the education of the student themselves and/or other students, including, but not limited to, the following:

Parents will be notified either via a telephone call, a face-to-face meeting, email or letter home.

Sanctions may include:

- After school detention
- Headmistress detention
- One day Internal suspension from lessons in order to complete any relevant education programme.

- A full investigation will take place in school, during which the pupil(s) involved will be interviewed by the Headmistress or another member of the Senior Management Team. As with all interviews with pupils, the pupil can choose another member of staff to sit with her to act as an advocate. The primary aim of the advocate is to provide support for the pupil under investigation as well as to observe the process.
- It might not always be possible to interview pupils outside of curriculum time, and where it is deemed necessary, we will speak to pupils during lesson time, taking into consideration any potential lesson time lost to all involved.
- The Headmistress will decide on the appropriate sanction and the Chair of the Governing Body will be informed.
- Parents will be informed and requested to come into school to participate in a discussion after which they may be asked to take the pupil home.

- In the case of a long-term suspension the pupil will return to school after the period of the sanction is completed, pastoral support will be put in place to allow a smooth transition into school.
- For the avoidance of doubt permanent exclusion precludes any return to school.

Where there is cost implication for the damage that has been caused to the school property, families may be asked to contribute to these costs.

Should parents disagree with the Headmistress's decision they may appeal using the School's Complaints Procedure.

One will be of the same gender as the pupil, and one will be a member of SLT. The pupil will be asked to empty pockets, bags and their locker.
