

**Volunteer Opportunity to support the New Zealand Team at Edgbaston Golf Club,  
Birmingham from 26 July – 9 August 2022**

While Birmingham hosts the largest sporting and cultural event ever held in the West Midlands and the biggest in the UK for a decade, Edgbaston Golf Club will be transformed into New Zealand House, the headquarters of the NZ Team! New Zealand House will invite NZ Team supporters of all ages to share in the excitement of the Commonwealth Games, enjoy New Zealand hospitality while cheering on the NZ Team while they compete against the world's best. New Zealand House will be open to all visitors and with a large expat NZ population in the UK, it will be a "home away from home" throughout the Games and will include:

- A programme for public access throughout the week and weekends
- Bespoke events hosted by the New Zealand Team, their supporters and partners
- Opportunities to see the New Zealand Team athletes

They are looking for volunteers to be a part of the action and assist in a variety of support roles including:

- Meet & greet at our reception/information desk
- Merchandise store support
- Events and hosting support
- Golf related events support
- Transport/Driving
