CC4 Anywhere

CC4 Anywhere enables you to access your CC4 network from almost any device with internet access from anywhere. You can access the CC4 anywhere desktop which will provide you with access to applications and your files in the same way that you would access them from a CC4 computer in school.

Pre-requisites -

On windows – download and install the Citrix Receiver for Windows from http://www.citrix.com/downloads/citrix-receiver/windows/receiver-for-windows-41.html On Macs - download and install the Citrix Receiver for Macs from https://www.citrix.com/downloads/citrix-receiver/mac/receiver-for-mac-1182.html On iphones and iPads – download the Citrix Receiver app for free from the app store. Please ask your IT department for more information on adding your account in Citrix Receiver.

How to use CC4 Anywhere

On Windows and Macs, type the school's CC4 Anywhere URL into your internet browser address bar - <u>https://cc4anywhere.edgbastonhigh.co.uk</u>

Enter your network username and password and click Log On.

If you are taken to the page asking you to **Download Client**, click on **Already Installed** under **Other Options** on the right hand side of the page.

Click on CC4 Anywhere Desktop.

This will open a virtual desktop similar to the one you see when you logon on to the school's CC4 computers.

In the Location Chooser window, select Main Site and tick Default to this location at next logon and click OK.
